About the Cosmetology & Massage Therapy Professions

Physical Demands and Safety Requirements of the Jasmine Beauty School Programs

The professional in the Cosmetology fields must be in good physical health for he/she will be working in direct contact with customers. In most aspects of the Cosmetology fields, there is a great deal of standing, walking, bending, and repetitive hand motions. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. The professional must also be aware of the many chemicals he/she will be in direct contact on a daily basis. Wearing protective gloves and appropriate clothing is necessary. Knowledge of and proper handling of hazardous materials is a must. Please be aware of any allergies you may have with chemicals and/or latex before entering into the fields of Cosmetology.

Licensure requirement for Cosmetology, Barber, Esthetician, and Manicuring Programs

The California Board of Barbering & Cosmetology (BBC) regulates the individuals who provide barbering, cosmetology, and electrology services and the establishments in which the services are performed.

The Jasmine Beauty School programs meet or exceed the BBC requirements, which are as follows: Cosmetology = 1000 hours, Barber = 1000 hours, Esthetician = 600 hours, and Manicuring = 400 hours.

Following completion of the formal training, you need to pass the written and practical examination and be issued a license to perform barbering and cosmetology services for a fee. No one is allowed entry to the examination until they have completed all the required hours for their field of study. The Board does not require continuing education credits to maintain a license.

Information Regarding the Written and Practical Examinations

The examination consists of only a written exam. All candidates take the National Interstate Council of Board of Cosmetology (NIC) written examination. Candidates can schedule to take the written examination at one of PSI's (computer-based written exam vendor) 15+ testing sites.

The exams are available in English, Korean, Spanish, Simplified Chinese, and Vietnamese. Please note: the examinations are translated into the most universal or neutral version of each language to be acceptable to the widest possible audience. If a candidate cannot read, speak, or write in English at a 10th grade-level and the examination is not available in their native language, the candidate may request approval to use an interpreter for the examination. Please refer to Interpreter or Interpreter/Model instructions at: https://www.barbercosmo.ca.gov/forms_pubs/forms/interpreter.pdf

The written examinations, excluding barbers, have 100 questions and candidates are allowed 120 minutes to complete; the barber written examination has 50 questions and candidates are allowed 90 minutes to complete. Note: The written examinations for all license types may contain 10 additional pretest items. These items are placed randomly throughout the examination and will not count towards or against the candidate's score.

Policy for Transfer Students

Jasmine Beauty School welcomes applicants for admission who have completed similar courses at other institutions. All documents received by the School in association with such applications for admission become the property of Jasmine Beauty School and will not be returned to the student.

It is at the discretion of the School Director, prior to enrollment, to determine that all remaining hours of instructions and operations will be completed by the transfer student in the time frame allotted. A transfer student may be required to complete additional hours at the school's discretion.

The school does not award transfer credit for acquired life experience or prior experiential learning or work in the field.

The following course requirements must be met to be considered for transfer:

- California Applicants: Students previously enrolled in an accredited school of Cosmetology may submit official transcripts of their academic work to Jasmine Beauty School for review and possible transfer of credit.
- Out of State Applicants: If the academic records are from a Cosmetology school in any other state, the applicant must first request and receive a "Letter of Evaluation" from the California Barbering and Cosmetology Program. The California Board of Barbering and Cosmetology is the only entity that may evaluate the out-of-state transcripts and grant those students proper credit of hours and practical operations. Jasmine Beauty School will only accept prior credit hours from an out of state applicant if it is accompanied by a letter of recommendation from the California Board of Barbering and Cosmetology.

At least 25% of the total clock hours for the program must be earned through coursework completed at Jasmine Beauty School.

The Microblading course does not accept transfer hours.

Students who require more than 300 hours of instruction will be required to purchase the Jasmine Beauty School education kit. The price to purchase books, testing, kit will range from \$50 to \$500.

This may include contacting an institution to which you may seek to transfer after attending Jasmine Beauty School to determine if your diploma or certificate will transfer."

The institution has not entered into an articulation or transfer agreement with any other college or university.

Orientation Class

Orientation for students in all English courses is held on Friday morning of each week from 8:30 a.m. to 10:00 prior to any new class starting. Orientation for students in all Vietnamese courses are held on Saturday mornings, each week. All new students, transfers and re-enrollment students are required to attend prior to admission.

Freshman Period of Enrollment

The freshman period of enrollment for each of the courses requires a specific number of hours of classroom lectures, demonstrations, and student practice. During the freshman period of enrollment, the student introduces the basics for those areas that you will need to know to pass licensing examinations. From this initial introduction, students will learn all the fundamentals that are the basic foundation for their future careers.

The **minimum** number of hours in the freshman period of enrollment is equal to 10% of the total program clock hours. Specific freshman periods of enrollment are as follows:

Cosmetology 1000 Hours	100 clock hours
Barbering 1000 Hours	100 clock hours
Esthetician	60 clock hours
Manicuring 400 Hours	40 clock hours

Students may be required to complete more hours to establish competency and are not permitted to work in the School Salon until the Freshman Period of Enrollment is complete. In addition, students are not permitted to provide services for patron paying for a service until the student has completed technical instruction (theory portion of the program to include instruction by demonstration, lecture, classroom participation, or examination) and practical training in the service for which a patron is paying (technical instruction shall mean actual performance by the student of a complete service on another person or on a mannequin).

Textbooks and Supplies

Textbooks and kits will be issued at the beginning of the freshman class. All needed supplies and equipment will be maintained in the freshman classroom. You may elect to purchase your books and kits elsewhere, and you must obtain a complete kit checklist from the administrative office and your kit must be complete within the first seven days of classes. The kit contains the equipment necessary for satisfactory completion of the course. Students are expected to maintain the kit by replacing lost or broken articles. The school is not responsible for a student's equipment, either lost or stolen. Students must learn to be responsible for the tools of their trade.

ACADEMIC POLICIES

Academic Dishonesty, Cheating, and Plagiarism

Cheating is defined as the attempt, successful or not, to give or obtain aid and/or information by illicit means in meeting any academic requirements, including examinations. Cheating includes falsifying reports and documents. Plagiarism is defined as the use, without proper acknowledgment, of the ideas, phrases, sentences, or larger units of discourse from another writer or speaker. Plagiarism includes the unauthorized copying of software and the violation of copyright laws.

An incident of Cheating or Plagiarism upon which an Instructor may take action will be an event which the Instructor witnesses or has written evidence to support. An Instructor must observe this evidence directly and may not take action solely on the report of another party.

Academic Misconduct refers to any form of academic cheating and collusion. Examples include:

- Plagiarism (presenting the work of others as if it were your own);
- Submitting assignments downloaded from the internet;
- Commissioning another person to produce a piece of work without acknowledgement;
- Cheating in examinations;
- Colluding with others to submit work (including friends or family).
- Plagiarism is the most common form of cheating and is defined as stealing another person's ideas and presenting them as though they were your own. Some examples include:
- Copying from a textbook, journal article, thesis, essay, or website without providing adequate reference to the author;
- Reproducing original artwork, designs, film, sound, or performance and presenting them as though they were your own;
- Copying someone else's program, database, webpage, or multimedia presentation without acknowledging their work.

Throughout studies, students will be encouraged to reference the work of others. The Instructor will expect to find reference to the sources of your ideas in supporting documentation, such as sketchbooks or initial drafts. This is an essential and valuable part of your education. As long as the source of the ideas is acknowledged, this is not plagiarism. There are different ways of doing this, for example:

- In an essay or assignment, when quoting another person's words "put their words in quotation marks" and properly reference the author within the text and in the bibliography;
- In computer software show where the information has come from in the acknowledgements or credits, e.g. 'program design – A. Brown', or 'graphics – J. Smith';
- When using an artifact, put a caption against the object, e.g. 'original photograph by Cartier-Bresson';
- If presenting an original piece of work based on an existing design or work of art, quote the source, e.g. 'after Rodin', 'after Eckersley';
- If using a strategy of 'appropriation' (i.e. the deliberate and conscious use of the style and images of another artist) make sure you tell your Faculty what you are doing and why and acknowledge the strategy when submitting work for assessment;
- In a group project make sure all the members of the group are listed. If individuals undertake specific work within the project, make sure that this is acknowledged;
- In examinations do not copy another person's work.
- Do not quote passages from a textbook or journal without acknowledging the source.

Failure to acknowledge the use of another person's ideas in your work may be considered a breach of the Jasmine Beauty School's Academic Regulations; it may also constitute a breach of intellectual property rights, e.g. copyright. Such an offense is likely to lead to failure of that assignment and/or unit and serious or repeated offences may lead to failure of the whole stage of the course, suspension or even expulsion. In addition, a breach of copyright may lead to legal action.

Procedures for Handling Cheating and Plagiarism

Any Instructor discovering a case of suspected cheating or plagiarism should make a responsible effort to confront the student with the evidence within five (5) working days. If the student can explain the incident to the satisfaction of the Instructor, no further action is warranted.

If the student denies cheating and the Instructor continues to believe cheating has occurred, the Instructor will send an Academic Dishonesty Form to the Program Leader (or Chief Academic Officer) of the appropriate area of study. This form is available in the office of the Chief Academic Officer. The Chief Academic Officer will hold a hearing in which the Instructor will present the evidence against the student, the student will also be present at the meeting. The Chief Academic Officer will decide who, in addition to the above, may be present at the hearing. The Chief Academic Officer will determine whether or not the evidence indicates that cheating/plagiarism has taken place.

If the student has admitted or has been found guilty of cheating or plagiarism, the following records will be kept:

- The Instructor will send a summary of the event to the Chief Academic Officer.
- The Chief Academic Officer will inform the student in writing that this report has been sent.
- Records of the incident will be kept in the Office of the Chief Academic Officer.

This record shall be destroyed upon graduation or other forms of separation from the Jasmine Beauty School if no further incidents of cheating or plagiarism occur.

If the records, in the Office of the Chief Academic Officer, indicate that the student has committed two offenses, both incidents become part of the student's permanent academic record.

The Instructor shall decide how the student will be graded for the course in which cheating or plagiarism occurred. The student may be required to resubmit the assignment or take a new examination. The student may receive a failing grade on the assignment or examination in question. The student may receive a failing grade for the course.

For a second or subsequent offense, the student shall be subject to suspension or dismissal from Jasmine Beauty School.

The student may appeal any of the above decisions in writing to the Chief Academic Officer within ten (10) working days.

Student Responsibilities Concerning Academic Dishonesty

Students are responsible for knowing the policies regarding cheating and plagiarism and the penalties for such behavior. Failure of an individual Instructor to remind the student as to what constitutes cheating and plagiarism does not relieve the student of this responsibility. Students must take care not to provide opportunities for others to cheat. Students must inform the Instructor if cheating or plagiarism is taking place.

Attendance

School hours: Monday – Friday 7:30 a.m. to 6:00 p.m., individual program hours vary.

Student must be prompt and attend class on time. To be considered enrolled, students must attend class full time, three quarter (3/4) or half time. Students will receive credit for properly documented time only.

- 1) Students' timecards must be legible
- 2) Clocked in will be rounded to the next ¼ hour, and clocked out will be rounded to the last ¼ hour
- 3) Students must clock own timecards, and report absence on a daily basis
- 4) Students who are not clocked in by 8:37 a.m. will not be allowed to clock in until 10:00 a.m.
- 5) Students must clock out for lunch except for those who attend six hours or less of class
- 6) Doctors' excuses are required for excused absences due to illness. Students with an excess of three un-excused absences or tardy within 30 days will be counseled
- 7) More than three counseling in three months may result in probation, suspension, or termination from the program

Students who have more than two consecutive weeks of absences (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave of Absence. Students who expect to be absent 14 or more days up to 180 days are encouraged to request a Leave of Absence.

Attendance Exceptional Factors

Jasmine Beauty School defines exceptional factors as a serious illness or other exceptional and unpredictable cause of absence that may generate a negative effect on the student's academic performance concerning his/her attendance or evaluation.

Excused however, does not mean you will receive hours for the time you were gone from class. Excused only means you will be allowed to come back to school. All excused absences are to be in writing and will be approved at the discretion of the School Director. If a student needs to attend a special event, please provide in writing a two-week notice.

Examples of Exceptional Factors (Excused Absences):

- Serious illness, injury, hospitalization of the student
- Bereavement (close relative)
- Victim of a crime
- Mandatory court attendance

Everyday life presents difficulties and issues that cause minor seasonal illnesses with which the student has to cope during his/her studies as they can also occur in the workplace or at home. It is advisable that the student takes appropriate measures in order to alleviate the effects of such minor seasonal illnesses, since such events will not be accepted as valid Exceptional Factors.

Exceptional Factors DO NOT INCLUDE (Unexcused Absences):

- Time management problems (missing deadline, oversleeping)
- Non-availability of books or other resources
- Loss of coursework
- Financial problems
- Moving one's house, family celebrations, medical appointments, holidays, or other events that the student can plan in advance
- Postal problems
- Work Commitments
- Misinterpretation of the exam timetable
- Colds, headaches, and other minor conditions
- Daily transportation problems

If a student is not able to judge if an event that occurred may be accepted as valid Exceptional Factors, the student may consult the Chief Academic Officer.

Tardy

A student is considered tardy if the student comes to class 5 minutes late or who left the class before the end of class time. If a student has three (3) tardies in 30 days, the student will be counseled. The goal of the counseling is to develop and implement an intervention program to help students learn new ways to manage time.

Lateness for classes, tutorials, workshops, exam sessions, hand-ins and any other appointments deemed necessary by the school will be viewed as "unprofessional behavior". In contemporary teaching methods the first few minutes of a lesson is often given to the outlining of the sessions' tasks or lesson plan of the class; therefore it is essential that all students arrive in a timely manner. Frequent poor time management may be considered academic misconduct. Time management is a skill that is required by all areas of the beauty industry. As it is one of our aims to produce industry professionals at the highest level, we require a demonstration of this essential skill.

Make-up Work

A student may be permitted to complete make up coursework for absences. The student must consult with the Head Instructor or Chief Academic Officer to arrange the make-up work.

Externships

Externships are required in the Manicuring 600 clock hour program and are optional for the Cosmetology and Barbering programs. Estheticians and Manicurists are excluded from the externship.

The externship may not exceed 25% of the total program hours.

Before starting an externship, the student extern must complete 25% of the required minimum practical operations and technical instruction.

Student externs are prohibited from using any product or procedure, including the preparation and/or application of the product, that alters or changes the molecular structure of the hair, skin, or nails through the chemical treatments without a designated licensee is present to oversee the work process. The tasks performed by the student extern must be within the scope of practice of the designated licensee who is supervising the student extern.

Student externs shall be provided with a school laminated photo id which the student must wear at all times while at the externship site.

Grading Scale and Policy

Grading Scale

Students are evaluated on a regular basis on theory, practical, and clinical work. The evaluations are measured on a standard percentile basis which equates to a letter grade. All copies of evaluation forms are issued to students upon completion of each increment of the course hours as explained above for students' review. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a minimum of "C" (70%)(2.0) cumulative grade average or practical evaluation to maintain satisfactory academic progress status. Numerical grades are considered according to the following scale:

Numerical	Alpha	Quality Points	
90% - 100%	A	4.0	Excellent
80% - 89%	B	3.0	Above Average
70% - 79%	C	2.0	Average
60% - 69%	D	1.0	Unsatisfactory
00% - 59%	F	0	Fail

Graduation Policy

These are the criteria for students being eligible for graduation:

- Students who maintain a "C", 70% or 2.0 grade point average
- Students have developed a professional attitude
- Students show competency in practical procedures, and have completed all required clock hours of both practical and theory training
- Students have completed all other requirements/assignments set by the school in their course of study

Upon graduation, a diploma will be awarded to the students. The diploma certifies that the students has successfully completed the requirements for the course for which they were enrolled in.

Upon receiving the diploma, the student is now eligible to apply and take the State Licensing Exam. The State will schedule an examination date for the student. Please note that if a student possesses a Federal Offense, the State could deny him/her a State License. If the student has been convicted of a Federal Offense, the State will request additional information from the student and will take that information into consideration in deciding to issue the student a license. A license will be issued through the State for applicants who successfully passed the examinations. The school will help each student to apply for their state examination. All graduates must hold a valid State license prior to entering the job field.

Hybrid Distance Learning

Effective 7/28/2020

Jasmine Beauty School will offer Distance Education to currently enrolled students who apply to take selected portions of their program and are accepted by the School Director to take that portion as a Distance Learner.

Distance education as defined in section 94834 of the California Code, does not require the physical presence of students and faculty at the same location but provides for interaction between students and faculty by means such as telecommunication, correspondence, electronic and computer augmented educational services, postal service, and facsimile transmission.

Distance Learning at Jasmine Beauty School will take place in real time via Zoom or similar platform on computers, tablets, and smartphones.

Distance Education will not be utilized as a method of delivery of clinical instruction in which the student is to perform practical applications on a live model and/or client.

Attendance and interaction with instructors during online presentations will be validated by instructors as clock hours.

All assessments that will be used for calculating a student's GPA must be completed while the student is physically on campus.

The student will participate in learning activities while physically present at least once every 5 business days for the length of a scheduled class day, 5 clock hours, as outlined in the enrollment agreement.

To assess if the student is a viable candidate for Distance Learning, the student must show the device that will be used for viewing Distance Learning lessons and upload all applications while physically at Jasmine Beauty School to prove that the device is compatible for the programs that will be used and to determine if the student can login, view and chat on applicable platform(s). If the student is planning to use a desktop computer for classes, the Director will coordinate a time to test the student and computer compatibility with the platform before accepting the student as a Distance Learner.

Upon completion of all curriculum requirements, the student must pass a comprehensive Academic and Practical final exam (which shall be administered on-campus) to include any applicable competencies required by the California State licensure agency prior to graduation from the program.

All transcripts and Proofs of Training (official and unofficial), listing academic attainment received will identify the distance learning component; and prior to enrollment, students are provided with a disclaimer that academic achievement earned via distance education may not be accepted for reciprocity or eligible licensure in other states. A signed and dated copy of the disclosure will be found in the student's file.

In the event of an emergency shutdown (i.e. COVID-19), all students will be allowed to complete online lessons and submit Theory assessments to instructors and/or the Director via email. Theory and Practical assessment results will be provided to the student within 5 school days of the completion of the assessment. If a student is not comfortable with Distance Learning, the student has the option to request a Leave of Absence or to withdraw from the program until the school resumes in person instruction.

Instructional Methods

Instructional methods for in school and distance education include lecture, discussion, question and answer, instructor demonstration, cooperative learning, problem solving, individualized instruction, and student presentations. Clock hour activities are awarded based on the following;

- *Technical (theory) instruction* is defined as the instructor-led instruction given by demonstration, lecture, classroom participation, or examination, as measured in clock hours.
- *Practical instruction* is the total number of clock hours assigned to the actual performance of a complete service (practical operation), by the student, on a person or mannequin, as measured in clock hours.
- *Practical Operations Activities* represents the minimum number of activities that will be performed by the student.

Distance education is offered by Instructors in a synchronous online learning platform.

Licensing: Applying for the State Exam

The school will help each student to apply for their state examination. Students must meet certain requirements prior to the school submitting the completed application to the State Board.

Students must demonstrate the following:

- Completed all hours and operations
- Completed All school requirements
- Completed All requirements for each required “Check List”
- Have a zero-balance owed to the school
- Has submitted all required documents to the school Financial Office

Please see the school registrar for additional rules and requirement.

Leave Of Absence (LOA) Policy

Requests for a leave of absence must be submitted in writing, signed, and be dated. Written requests should be made in advance of the leave and should include a reason for the request. A leave of absence for the diploma programs may be granted for a minimum of 14 days and may not exceed 180 calendar days. A leave of absence will not be granted for less than two weeks (14 calendar days). Students may have only one leave of absence per 12-month period. Any exceptions to the maximum length of the leave or the number of leaves per 12-month period will be made in writing through the School Director. If more than one leave of absence is granted, the total combined leave of absence periods may not exceed 180 days within any 12-month period. The student must notify the Chief Academic Officer of the date, reason, and anticipated length of the leave in writing prior to the start date of the requested leave. The period of the leave may not begin until the student has submitted, and Jasmine Beauty School has approved a written and signed request for an approved leave of absence, except in those cases where unforeseen circumstances would prevent a student from submitting a request in advance.

In the case of an unforeseen circumstance, the request and reason(s) for the leave of absence, along with documentation to show that the leave could not have been requested and approved in advance, must be submitted no later than the day the student returns. In these cases, the beginning date of the leave of absence period can be no earlier than the date that the circumstances prevented the student from attending school.

A leave of absence may be requested for the following reasons:

- Medical (self or immediate family) – documentation from a doctor or hospital is required, identifying that the student is unable to attend school. Approved LOAs for medical circumstances require a doctor’s note clearing the student to return to class with no restrictions.
- Military – documentation of military service orders is required.
- Jury Duty – documentation of jury duty is required.
- Severe circumstances as approved by the School Director – supporting documentation of the severe circumstance is required.

If the school determines that there is a reasonable expectation that the student will return to the school, and the future class schedule permits the student to be registered into the same program prior to the leave, the school will grant the student an approved leave of absence. A student approved for a LOA is not considered withdrawn and no refund calculation will be processed. Tuition payments are still due on time to avoid any late fees during the time of the student’s Leave of Absence.

If the school determines that the requested leave of absence is not justified or if it will occur at a critical point in the program, the request may be denied, and the student may be required to drop from the program and apply for re-entry at a later date. If a student takes a leave without the proper administrative approval, the leave will be treated as a withdrawal from the program. In this case, the student’s withdrawal date for the purpose of calculating a refund will be the student’s last date of attendance.

Upon the return from leave of absence, the student is allowed to complete the coursework that began before the leave. All course work missed as a result of a leave must be made up at a mutually agreeable time before the maximum end date of the class. To make up work or classes missed, the student must check the Class Schedule for the next available date class will be given on the subject(s) missed and request permission from the school Director to attend the specific class. Students are required to make up any missed lessons or exams due to his/her absence. It is the responsibility of the student to schedule and successfully complete all missed work.

If the student does not resume attendance on or before the end of the approved leave of absence, the school will treat the student as a withdrawal from the program and apply the school’s refund policy in accordance with applicable published requirements. In this case, the student’s withdrawal date for the purpose of calculating a refund will be the student’s last date of attendance.

Only approved leave of absences will not involve any additional charges to the student. The student’s enrollment agreement will be extended by the same number of days taken in the leave of absence and must be initialed by the student and a

School official. The student's maximum time frame in the Satisfactory Academic Progress policy will be extended by the same number of days taken in the leave of absence.

Satisfactory Academic Progress (SAP) Policy

The SAP policy is published in the School Catalog to ensure that all students receive a copy of the policy prior to enrollment. The Satisfactory Academic Progress policy consistently applies to every student enrolled at Jasmine Beauty School regardless of student status or schedule. The SAP policy contains both quantitative (attendance and maximum time frame) and qualitative (academic performance) elements that are evaluated at specified points and on a cumulative basis throughout the course of the program, as explained in the policy.

The SAP Policy includes criteria which must be satisfied for a student to be considered making satisfactory academic progress. A student who is failing to meet the criteria at any point outlined below will not meet the standard of Satisfactory Academic Progress and will be subject to academic warning, probation, or termination from the program.

Jasmine Beauty School does not offer remedial courses, therefore only the coursework in the program of study is evaluated.

SAP Criteria: Qualitative

Students are evaluated on a regular basis on theory, practical, and clinical work. The evaluations are measured on a standard percentile basis which equates to a letter grade. Students must maintain a minimum of "C" (70%) (2.0) cumulative grade average on theory and practical (operations) evaluations to maintain satisfactory academic progress status. Jasmine Beauty School uses the following Grading Scale:

Grading Scale

Numerical grades are considered according to the following scale:

Numerical	Alpha	Quality Points	
90% - 100%	A	4.0	Excellent
80% - 89%	B	3.0	Above Average
70% - 79%	C	2.0	Average
60% - 69%	D	1.0	Unsatisfactory
00% - 59%	F	0	Fail

Evaluation forms are issued to students upon completion of each increment of the course hours for students' review. This evaluation form reflects the overall Attendance and Academic progress of the student.

SAP Criteria: Quantitative

1. **Attendance:** Students are required to attend 67% of the scheduled clock hours throughout the entire program and will be evaluated for attendance for each evaluation period

By maintaining a cumulative average attendance level of at least 67% of the scheduled hours indicated on the student's enrollment agreement, at the end of each evaluation period, meeting these attendance standards ensures that the student can complete the course within 150% of the scheduled course length. See maximum time frame below.

Example:

A student is scheduled to attend/complete 300 clock hours for the evaluation period. The student must attend/complete 200 clock hours of the 300-clock hour scheduled. (67% x 300 clock hours)

Scenario 1: The student attends 200 or more hours in the evaluation period, the student is meeting this requirement

Scenario 2: The student attends/competes less than 200 clock hours in the evaluation period, the student is not meeting this requirement.

In addition to attendance standards relating to SAP, students are also required to adhere to certain general institutional policies relating to attendance and tardiness.

2. **Maximum Time Frame:** Complete the course within one and a half times (150%) the length of the course as defined in the catalog.

Program	Total clock hours in the program	Maximum Time frame to complete the program, in clock hours completed.
Cosmetology	1,000 clock hours	1,500 clock hours
Barbering	1,000 clock hours	1,500 clock hours
Esthetician	600 clock hours	900 clock hours
Manicuring	400 clock hours	600 clock hours
Barbering Crossover	200 clock hours	300 clock hours
Cosmetology Crossover	300 clock hours	450 clock hours

For the purpose of determining the maximum time frame, transfer hours from another institution that are accepted toward the student's educational program are counted both as attempted and completed hours. Students on an approved Leave of Absence will have the maximum time frame extended on the student's enrollment agreement and maximum time frame by the same number of days taken in the leave of absence.

Students who exceed the maximum time frame shall be terminated from the program and will not be permitted to reapply for admission.

Evaluation Periods

Evaluation periods are based on the **academic year** which is defined as not less than 900 clock hours and 30 weeks of completed instruction.

Students are evaluated for Satisfactory Academic Progress as follows:

Program	Total clock hours in the program	# Academic Year(s)	Evaluation Points (clock hours completed/ weeks completed)
Cosmetology	1,000	1 1/3 academic years	300 clock hours and 10 weeks 600 clock hours and 20 weeks 900 clock hours and 30 weeks

Evaluation to Determine Progress Status

Jasmine Beauty School evaluates students' Satisfactory Academic Progress at the conclusion of each evaluation period. The evaluations is completed within seven (7) school business days following the established evaluation periods. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations and may request their SAP records at any time from the Chief Academic Officer.

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation.

A student who is failing to meet the minimum requirements will not meet the standard of Satisfactory Academic Progress and will be subject to academic warning, probation, or termination from the program.

Academic Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

Probation

A student may be placed on Probation if the following occur:

1. The School evaluates the student's progress and determine that the student did not make satisfactory academic progress during the warning or previous evaluation period; **and**
2. The student prevails upon appeal of a negative progress determination prior to being placed on probation; **and**
3. The School determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; **or** The School develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

Termination

If a student fails to return to "Good Standing" at the end of a Probation period and does not successfully appeal that determination, he or she will face Academic Termination. In the case of Academic Termination, the last day of attendance (LDA) will be used to calculate the student's refund and/or balance due.

Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress by meeting the minimum attendance and academic requirements by the end of the probationary period.

Interruptions, Course Incompletes, Withdrawals

If an enrollment is temporarily interrupted due to a Leave of Absence, the student will return to school in the same progress status as prior to the Leave of Absence. Hours elapsed during a Leave of Absence will extend the student's contractual period, and the maximum time frame by the same number of days taken in the Leave of Absence and will not be included in the student's cumulative attendance percentage calculation.

Students who withdraw prior to completion of the course and wish to re-enroll in the school will return in the same Satisfactory Academic Progress status as at the time of the withdrawal.

All incomplete or withdrawn coursework will count as attempted which may prohibit the student from completing within the maximum time frame.

A student may repeat a section of a course to improve the overall cumulative grade point average. If a student has an "F" and repeats the course and receives a better grade, for example, an "A", then only the "A" is counted in the calculation of the cumulative grade point average. Grades for hours attempted and earned for the second attempt are counted in lieu of those earned for the initial attempt. Though both attempts remain part of the student's permanent record, the cumulative grade point average will reflect only the grade earned on the second attempt. A student who earns grade of "F" in any section of a course of study must repeat that course and complete it successfully before taking any course with respect to which the failed course is a prerequisite and before graduation.

Transfer Credit and SAP

Students who transfer clock hours from another institution that are accepted toward the Jasmine Beauty School course are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual hours completed at Jasmine Beauty School.

Appeal Procedure for SAP

Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the school's administrator. The written request should be received within ten calendar days of the school's determination. The written request must describe why the student failed to meet satisfactory academic progress standards, along with supporting and verifiable documentation of the reasons why the school determination should be reversed. Some of the reasons for which students may appeal a negative progress determination are death of a relative, or an injury or illness of the student. Not all appeals will be approved. Appeals will only be considered for circumstances that were beyond the control of the student. This information should also include what has changed about the student's situation that will allow him/her to achieve Satisfactory Academic Progress by the next evaluation period.

Appeal documents/written request will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon the appeal, the Satisfactory Academic Progress determination will be reversed. If an appeal result in a denial and the original determination is uphold, the student will be unable to take further action.

Student Status

Full time: Any student scheduled to attend 33 hours or more per week.

Part-time: Any student scheduled to attend at least 25 but less than 33 hours per week.

Change of Status

If a student finds that he/she is unable to attend his/her scheduled hours (full time or part time), then the student must a request a change of status from the school Director prior to attending more or less hours. A \$35.00 processing fee will be added to the student's tuition account for any change of status.

Student Clock Hour Policy

The California Board of Barbering and Cosmetology will only recognize timeclock punched hours of attendance. As a result of this requirement, the school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven minutes to clock in and receive credit for the quarter (1/4) hour. This seven-minute period applies to starting of the class day only. If you do not arrive and clock in by 8:38 a.m., you may not clock in for the day without excused permission.

Students who are habitually tardy (four times in one month) will be counseled and if the tardiness continues, the student may be suspended or be placed on probation until the tardiness ceases. A 30-minute lunch break shall be taken for students who attend a six-hour class day or more.

If you are attending less than a 6-hour class day and desire to take a 30-minute lunch break, then the 30 minutes shall be deducted from your daily total hours, and you must clock in and out on your timecard for the lunch break. Once classes have started, no one from outside will be admitted to the classroom.

Instructors may not sign a student in or out. If an error is made on the student timecard, the instructor must draw a line through the error and make the appropriate correction. The student and instructor must initial the change.

You must clock in and out for the lunch break, and you must leave your timecard in the designated area. Failure to clock in and out for lunch break will be subject to disciplinary action. If a student is unable to take his/her lunch break at the designated time (11:15 a.m. – 12:15 p.m.), he/she must report to the instructor to be assign a different lunch time. The timecard must be signed by the student and instructor daily.

Timecards and Student Hours

All students are responsible for the accuracy of their time sheets. Students must clock in and out at the required times and record all hours of classroom attendance and operations completed on the time sheet in the appropriated space. The student must present the completed time sheet to an instructor for verification of accuracy and a signature by the instructor at the end of each day of class. If the time sheet is not signed by an instructor, the student will not receive credit for the days of operation. Students are not to remove time sheets from the school premise at any time. Forged or altered timecards are grounds for immediate expulsion.

All time clock hours, classroom hours, and operations hours are posted weekly using the school's computerized attendance system. The time sheets are then filed in the student's time sheet folder. Students wishing to review their time sheets with the school Director must make their requests in writing. An appointment to review the time sheets will be scheduled within five days.

Timecard Credit

The following is a guideline for the instructor to issue credits:

- Each theory credit must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category. The portion of the timecard reflecting hours are in the theory hours earned and any classes the instructor has taught.
- The portion of the timecard concerning operations is to be applied efforts of the students, as they manually perform a practical subject. According to the students, some practical operations may take longer to perform.
- Note the following time frame the Board of Barbering and Cosmetology gives for each operation:

Shampoo/set = 1 ½ hours	Scalp Treatment = ½ to 1 hour
Permanent Wave = 2 to 2 ½ hours	Facial = 1 ½ to 2 hours
Manicure = ½ hours,	Hair cut = ½ to 1 hour.

Using the given examples, it is understandable if the Board of Barbering and Cosmetology would not consider a student capable of performing more than three Permanent Waves per day.

SCHOOL POLICIES

Adult students, parents of minor students, have the right to inspect, review, and challenge information contained in their education records. However, a school official must be present. Education records are defined as files, materials, and documents which contain information directly related to the student and are maintained by the institution. School will maintain institutional and student records for six years. Students' transcripts are maintained indefinitely. Students are not entitled to inspect the financial records of their parents. Written consent is required from the student (or their guardian if the student is a dependent minor) before education records may be disclosed to third parties with the exception of accrediting commissions or governmental agencies that are authorized by law. Please refer to **Notification of Right under FERPA**.

Notification of Right under FERPA

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights include:

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3) The right to provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A *school official* is a person employed by the school in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the school has contracted as its agent to provide a service instead of using school employees or officials (such as an attorney, auditor, consultant, or collection agent); a state, accreditation, or federal regulatory or oversight agency who requires student information in the course of business or by request; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Not only is sexual harassment a violation of Title VII of the Civil Rights Act of 1964, but sexual harassment also undermines the integrity of the employment and academic environment, debilitates morale, and interferes with the effectiveness of employees and students. In accordance with the Equal Employment Opportunity Commission's published guidelines, unwelcome sexual advances, unwanted requests for favors of a sexual nature, and any other unwanted verbal or physical conduct of a sexual nature are considered sexual harassment if:

- Explicit or implicit submission to sexual overtures is made a term or condition of employment;

- Employment decisions are made on the basis of whether submission to or rejection of sexual overtures occurred; and
- Sexually intimidating, hostile, or offensive atmosphere unreasonably interferes with an individual's work performance.

At Jasmine Beauty School, sexual harassment of or by employees includes the following:

- Unwelcome or unwanted sexual advances. This includes unwelcome physical contact or sexual advances considered unacceptable by another individual;
- Requests or demands for sexual favors. This includes subtle or blatant pressures or requests for any type of sexual favor, accompanied by an implied or stated promise of preferential treatment or negative consequence concerning one's employment status or student status;
- Verbal abuse that is sexually oriented or considered unacceptable by another individual, as well as sexually derogatory comments. This includes commenting about an individual's body or appearance when such comments go or other tasteless sexually oriented comments or innuendoes or actions that offend others;
- Engaging in any type of sexually oriented conduct that would unreasonably interfere with another's work Performance. This includes extending unwanted sexual attention to someone that reduces personal productivity or time available to work at assigned tasks; or
- Creating a work environment that is intimidating, hostile, or offensive because of unwelcome or unwanted sexually oriented conversations, suggestions, requests, demands, physical contacts, or attentions.
- Normal, non-coercive interaction that is acceptable to both parties is not considered to be sexual harassment.

Persons sexually harassing others will be dealt with swiftly and vigorously. Any individual who violates any portion of this policy shall be subject to disciplinary action up to and including discharge.

It is improper conduct for a Jasmine Beauty School Instructor to engage in a romantic or sexual relationship with a student enrolled in the Instructor's class or for an employee to engage in a romantic or sexual relationship with a student that is under the employee's supervision.

Romantic or sexual relationships between any Instructor and a student then enrolled in the Instructor's class (including supervised student activities for which academic credit is given) or between any school employee and a student enrolled in the school may appear to be coercive and are discouraged. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in the school environment. At Jasmine Beauty School, romantic and sexual relationships between an Instructor or an employee and a student are subject to the prohibition against sexual harassment.

Social Security Number

Jasmine Beauty School is dedicated to ensuring the privacy and proper handling of confidential information pertaining to students and employees. The Social Security number shall be required of all entering students for their permanent student records. An alternative student identification number will be assigned to each student. This identification number will be used for all purposes that do not require a social security number. In no event shall grades be posted using the social security number.

Jasmine Beauty School does not discriminate on the basis of disability in the admission or access to, or operations of, its programs or activities.

This notice is provided as required by Title II of the Americans with Disabilities Act of 1990. Accommodations are granted on a case-by-case basis for those students who are eligible by showing sufficient documentation of disability in compliance with all Federal and State Laws. The school administrators will handle provisions of accommodations for students with disabilities in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

Reasonable and specific accommodations are developed with each student based on current documentation from an appropriate licensed professional. All accommodations are individualized, flexible, and confidential based on the nature of the disability and the academic environment.

The school currently provides handicap access. Requests for other accommodations must be made to the Chief Academic Officer. On occasion, the Chief Academic Officer may work together with the School Director to resolve requests concerning academic adjustments.

With the goal of promoting integration and equality among the student population, the School provides individual assistance to students with documented disabilities. Students with disabilities must request adjustments or other accommodations prior to the admissions/enrollment time frame and provide appropriate documentation to the Chief Academic Officer. Documentation received may be questioned if proper credentials are not provided, or if the diagnosis is without supporting data. The School maintains all records as confidential.

Upon review of the documentation, the Chief Academic Officer will develop a letter of acknowledgement of the disability and the appropriate accommodations that will be provided to the student. The Chief Academic Officer will contact the student's professors to notify them of the authorized adjustments. In case the adjustments do not work, the student must notify Chief Academic Officer in order to ensure timely arrangements.

Students that require extra time for testing may take examinations under the supervision of the Chief Academic Officer, in agreement with the course professor. Students should allow two to three weeks for processing of additional aids or educational materials. The School provides these auxiliary aids and services on an individual basis. These aids and services may include, but are not limited to: registration assistance, approval of reduced course load, letters to instructors outlining accommodation needs, note takers, testing accommodations, classroom and other facility accommodations, and assistance with accessibility issues.

STRF: Student Tuition Recovery Fund Disclosures

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF, and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of the following:

- 1) The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- 2) You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
- 3) You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
- 4) The institution has been ordered to pay a refund by the Bureau but has failed to do so.
- 5) The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- 6) You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but has been unable to collect the award from the institution.
- 7) You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Effective April 1, 2022, the Student Tuition Recovery Fund (STRF) assessment rate is \$0.00 per \$1,000 of institution charge.
